Special Notice 2 concerning
Involuntary Strike-Off

Due to a series of technical and administrative errors, purported notice of the strike off of each of the below named companies was mistakenly published in the CRO Gazette on 7 February 2024. Each company also appeared in error in an amended Notice of Intended Strike Off of 29 November and 6 December 2023, which has since been removed from the CRO Gazette website. The error was also mistakenly reflected on the CRO register until 16 February 2024.

None of the below named companies has been struck off the register or is dissolved. The status of each of the below named companies has been returned to 'normal' on the register.

The CRO regrets the errors that occurred and any confusion this may have caused.

The CRO reserves the right to initiate the involuntary strike off procedure under the Companies Act 2014 in respect of any of the below named companies in the event that any of the grounds for involuntary strike off under section 726 exist.
