NOTES ON COMPLETION OF FORM LP2

These notes should be read in conjunction with the relevant legislation.

- General** This form must be completed correctly, in full and in accordance with the following notes. Every section of this form must be completed.
Where the space provided on Form LP2 is considered inadequate, the information should be presented on a continuation sheet in the same format as the relevant section in the form. The use of a continuation sheet must be so indicated in the relevant section and noted on the relevant continuation sheet.
- note one** Each change must be entered in the proper division (a) (b) (c) (d) (e) (f) or (g) as the case may be. Provision is made in this form for notifying all the changes required by the Act to be notified, but it will frequently happen that only one item of change, such as change in the principal place of business, for instance, has to be notified. In any such case, the word "Nil" should be inserted in the other divisions.
- note two** This section must be completed by the person who is presenting Form LP2 to the CRO. This may be either the applicant or a person on his/her behalf.
- note three** Changes brought about by death, by transfer of interests, by increase in the number of partners, or by change of name of any partner, must be notified in this section.
- New Partner: Where the general partner is a non-EEA national who intends to come to Ireland to establish a business that general partner will require the permission of the Minister for Justice and Equality to do so. Evidence of the permission of the Minister must be submitted along with the form. Such evidence can include a GNIB card (certificate of registration) or Green Card/Green book (front and back). If the general or limited partner is an Irish company, the company number should be entered.
- If, however, the general partner or limited partner is a company but is not registered on the Irish register, the form should be accompanied by:
- (a) A certified copy (and where required authenticated copy) of the Charter, Statutes or memorandum and articles of the company, or other instrument constituting or defining the constitution of the company (in the original language);
 - (b) A copy of the certificate of incorporation of the company;
 - (c) A copy of any certificates of incorporation of any name changes of the company;
- Please see Information Leaflet number 6 for further information regarding certification.
- If the documents above are not written in Irish or English language a certified translation is required. If, however, the general partner is a company not on the Irish register, regard should also be made to Part 21 Companies Act 2014 and the requirements of foreign limited liability companies to register a branch.
- note four** Any variation in the sum contributed by any limited partner must be here stated. A statement of any increase in the amount of the partnership capital, whether arising from an increase of contributions or from an introduction of fresh partners, must be made on Form LP4.
- note five** The statement must be signed at the end by the general partner of the firm, and delivered for registration within seven days of the change or changes taking place.
