To: Registrar of Companies

On behalf of the above filing agent, I wish to apply to deliver documents in electronic form to the CRO. I acknowledge that my client certificate represents a secure identification for the purposes of filing documents electronically, and will be controlled to ensure that only those authorised to file can use it.

I acknowledge that initially the only document in electronic form which may be delivered to the CRO is the annual return (Form B1) and that the Registrar of Companies will decide in his/her discretion when to extend the system to other CRO forms.

I further acknowledge that I have read, understood and accept the Terms and Conditions applicable to filing documents in electronic form with CRO, as issued on 15 July 2002.
