SCHEDULE 24

Additional information required to be supplied and entered in Public Register

Section 1636

Statutory auditors

1. In relation to a statutory auditor, the public register shall contain at least the following additional information:

- (a) whether the statutory auditor is approved under Part 28 to carry out the assurance of sustainability reporting;
- (b) if he or she is registered with one or more recognised accountancy bodies, counterpart authorities or

2. In relation to a statutory audit firm, the public register shall contain at least the following additional information:

- (a) the name of every individual employed by or associated as partner or otherwise with the audit firm who is approved under Part 28 to carry out the assurance of sustainability reporting;
- (b) if the audit firm is registered with one or more recognised accountancy bodies, counterpart authorities or third-country competent authorities, whether the registration concerns the assurance of sustainability reporting;
- (c) where the audit firm is approved in another Member State to carry out the assurance of sustainability reporting and is registered in the public register of that Member State –
 - (i) the fact that the firm is so registered, and

3. (1) In relation to a third-country auditor or third-country audit entity, the public register shall contain at least the following information:

- (a) whether the third-country auditor or audit entity is registered under section 1641,
- (b) the information specified in the provisions of paragraph 1 or, as the case may be, 2 (as, in either case, those provisions are applied by subparagraph (2)).

(2) The provisions of paragraph 1 or 2, as the case may be, apply for the purposes of this paragraph save so much of them as are inapplicable in the case of a third-country auditor or third-country audit entity, as appropriate.
